19 A composite block is made by joining together three transparent materials.

The diagram shows a ray of light passing through the composite block.

Which list gives the three materials in order of the speeds of light in the materials, from slowest to fastest?

A $1 \rightarrow 2 \rightarrow 3$ **B** $1 \rightarrow 3 \rightarrow 2$ **C** $2 \rightarrow 1 \rightarrow 3$ **D** $2 \rightarrow 3 \rightarrow 1$
